OUTFIT GUIDE

5 ways to wear Nike Dunks

4 min read · Drezzy Team

Dunks are the easiest sneaker in the rack to style. The shape is clean, the colourways go loud or quiet, and they work from the lecture hall to Friday night. Here are five looks we keep coming back to.

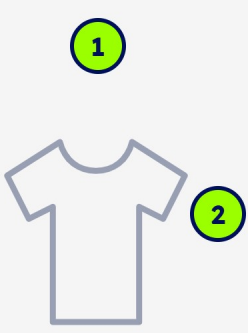

1. Campus casual

Wide-leg jeans, a plain tee and a cap. Keep the clothes simple and let the shoes carry the colour.

2. Denim on denim

A matching denim set looks sharp with a mid-top. Roll the hem once so the collar of the shoe shows.

- **Matching set:** a two-piece polo and trouser set with a high-top.
- **Night out:** all black with one colour pop on the shoe.
